VISION

“ Our company is based on strong principles of providing the best quality at affordable prices ensuring superior customer satisfaction. All our products are cut with the smallest tolerances to ensure best fit and finish. We are a strong believer in sustainable manufacturing paving the way to a greener future. ”

19851995.....2000.....2005.....2012.....

ABOUT US

The Shakthi's brand started nearly 33 years ago, targeting a maintenance free furniture manufacturing with reliable and sophisticated German machinery. All our products are made with 100% borer proof, dimensionally stable and environmentally friendly boards with top notch finishing. All our products undergo strict engineering analysis to ensure the longativity of the product. With a skilled workforce involving craftsmen with decades of experience we make sure you fill your dreams with our Products.

SHAKTHI'S INTERIOR

We follow the principle of providing the best quality to convert your dream home to reality. Our services include Wardrobes, Kitchens, TV units, Custom Pooja cabinets, Crockery, Book shelves while also specializing in Office interior setups and complete shop interiors. Our team comprises of qualified interior designers and workers with experience of over thousand homes. Our design involves smart interior solutions to maximize utility in minimum space, we innovate everyday for a better life at home. We use Plywood or the revolutionary waterproof HDHMR wood for the kitchen boxing and UV coated glossy finish MDF/ membrane shutters for the doors. We also use acrylic for that rich classy look your home deserves. Our interior work gets completed in record time as 75% of the work takes place at the factory ensuring a clean new house and a start-finish time of less than a week.
